

Life Alignment Assessment

Score your alignment across faith, family, health, work, and legacy.

This resource is for reflection, coaching, and personal growth. It is not medical, mental health, legal, or financial advice. Move slowly, tell the truth, and take one faithful next step.

Scoring

Score each area from 1 to 5. A 1 means your actions rarely match what you say matters. A 5 means your habits consistently support your stated values.

Do not use the score to shame yourself. Use it to choose the next honest adjustment.
